Can't make it to Utah? Then consider joining the GS Giants at the 2017 Adventure RAid, hosted by the BMW RA. There are a couple of Gypsy Tours going on, and a good bit of adventurous doings at the rally. Upper Michigan is a land of great natural beauty and if you've not ridden here you owe yourself the treat! If you've never been to a BMW RA Rally, they are smaller and more laid-back affairs. When you register for the BMW RA Rally, your entry fee covers all the GS Giants adventures.

Join the Giants for the first ever MOM Rally at a unique offroad ranch nestled in the beautiful Missouri Ozarks. The venue is a 750 acre riding resort 5 miles south of Mansfield Missouri. There's easy highway access from US 60. 40 miles of trails are offered on site with everything from challenging wooded and rocky hills and valleys, to fire roads, to twisty single track. No ATVs are allowed on track, keeping it pristine for our two wheeled brethren. Off campus, hundreds of miles of gravel roads with stream crossing, and pristine two lane twisty tarmac will give every rider a variety of surfaces to enjoy.
